

Dear LMS Parents and Guardians,

This will be our second week of WY-TOPP Testing. The first week went very well and our students showed great focus and determination. The effort was outstanding! I will add the schedule again, but will add a few key points. We will only test one subject a day and will be done by 11:00 AM each testing day. The days of the week and subject are on the schedule. Please review the schedule to see what activities are incorporated into the day as well. It details what items they may need to bring on those activities. I want to thank parents and guardians for communicating when students will be gone on testing days. It helps us reschedule students for a more suitable time. Last week's behavior at the assembly and during activities was outstanding and represented our school with great school pride. Good luck to all of our Sabers!!!

Just as a reminder, Please ensure your student or students get plenty of rest and nutrition during this time. We also need your help with encouragement to do their best and to please be here and on time. If students are absent or late, they will need to make the test up. Please try not to schedule any appointments or pull students from school during these times. Thank you for your understanding and support. Research also shows that "screen time" can be detrimental to achievement during testing days. Research also shows the last items a student hears or sees before bed, will be what they mostly retain. So reading is an ideal activity before bedtime.

Have a great week and we appreciate your support!

Mr. Morton

FAMILY CAMPS

CAMP REGISTRATION IS NOW OPEN TO AGES 10+!

ADVENTURE FAMILY CAMPS

Adventure Family Camps teach families the basics of multiple outdoor activities, including hiking, canoeing, archery, and animal identification. These are introductory camps to give a broad overview of outdoor recreational activities, *with the hope that families will spark a passion together!*

Adventure Camp #1: June 1 - 4
Adventure Camp #2: June 8 - 11
Adventure Camp #3: July 6 - 9

FAMILY FISHING CAMP

This family camp will allow participants to learn the basics of two types of fishing, fly fishing and spin casting, through hands-on fishing trips around Dubois, Wyoming. Campers should arrive with interest in fishing and limited experience. *All participants 14 or older must have a valid fishing license.*

Fishing Camp: June 29 - July 2

HUNTER EDUCATION CAMP

Families interested in hunting Wyoming wildlife will complete a hands-on Hunter Education course during this camp, where they learn the basics of safe hunting and *receive both a Hunter Education and Bowhunter Education certificate in a beautiful setting!*

Hunter Education Camp: July 19 - 23
